SISÈ.- Que serveis municipals complementen la resolució 2188 assenyalant l'indicador al qual estan adherits les referències cadastrals *3228604YJ1832N0001PM i *2914104YJ1821S0001RP posicions 566 i 894 respectivament perquè gestió tributària verifiqui requisits per al reconeixement o no de la reducció.

SETÈ.- Les reduccions reconegudes en els apartats PRIMER, SEGON i TERCER seran aplicable exclusivament per a l'exercici 2026.

L'adhesió al sistema s'entendrà renovada automàticament cada any, de conformitat amb el que es disposa en l'apartat 2.2.5 de l'article 5 de l'Ordenança, sempre que continuen complint-se les condicions establides i l'indicador de fracció es mantinga dins del rang d'ús previst en la taula arreglada en l'apartat 2.2.1.

En els exercicis posteriors, la reducció aplicable es determinarà en funció dels usos efectivament realitzats durant l'anualitat immediatament anterior.

HUITÈ.- Les reduccions no estimades en els apartats QUART i CINQUÈ, per no haver-se realitzat usos mitjançant les targetes o contenidors habilitats, o per no constar aquests usos en el certificat emés pel Consorci València Interior, no resultaran d'aplicació per a l'exercici corresponent. No obstant això, l'adhesió al sistema es mantindrà vigent, de conformitat amb el que es disposa en l'apartat 2.2.5 de l'article 5 de l'Ordenança.

Això sense perjudici que puguin reconèixer-se les reduccions que corresponguen en exercicis posteriors, sempre que es complisquen els requisits establits en l'Ordenança.

NOVÈ.- Que es procedisca a la seua notificació col·lectiva mitjançant la publicació edictal amb respecte a la Llei orgànica 3/2018, de 5 de desembre, de Protecció de Dades Personals i garantia dels drets digitals, amb l'extracte la present Resolució en el Butlletí Oficial de la Província de València (BOP) i tauler d'edictes. La informació relativa a les dades tributàries només es facilitaren a l'obligat tributari o el seu representant en aplicació del deure de confidencialitat de la informació tributària (art. 95 Llei 58/2003, de 17 de desembre, General Tributària). Sense perjudici d'això, es notificarà individualment per la seua electrònica als subjectes passius als quals no se'l reconeix reducció.

DÈCIM.- Contra el present acte de reconeixement o denegació de la reducció de la Taxa per la Prestació del Servei de Gestió de Residus Urbans podrà interposar-se recurs de reposició davant l'Alcaldia, en el termini d'un mes comptat des de l'endemà de la seua publicació en el Butlletí Oficial de la Província i en el tauler d'anuncis municipal.

No obstant això, respecte d'aquells subjectes passius als quals no se'ls reconega la reducció per incompliment dels requisits exigits, el termini per a interposar el recurs serà d'un mes comptat des de l'endemà de la notificació individual practicada a través de la seu electrònica municipal.
